

## **Jonathan Lee, Esq.**

Jonathan graduated from Maryland's Towson University with a Double Major in Economics and Political Science. He then earned his Juris Doctorate from the William S. Boyd School of Law at the University of Nevada, Las Vegas (UNLV). Jonathan joined the Richard Harris Law Firm team in 2019.

Jonathan was inspired to become a lawyer due to his natural drive to help people. He knows that when people need the services of an attorney, they are often scared, frustrated, and hurt. He likes helping to relieve that burden by explaining the litigation process and helping them to understand that they have someone in their corner. Jonathan believes a personal injury lawyer's role in the community is to be the voice for the "little" person and to ensure that they are made whole when the unexpected strikes.

Beyond helping clients at the firm, Jonathan stays active in community service organizations across the Valley. One of his most rewarding roles has been to serve as a faculty supervisor to the UNLV externship program.

In his spare time, Jonathan loves to listen to music and play sports, especially football, basketball, and softball.
